opening June 2010

Welcome to our new venture!

Peartree Serviced Apartments - designed to give you a different choice for your accommodation needs in Salisbury.

Thank you for your curiosity by clicking through on the link so that we can tell you more about our plans.

Who are we?

'We' are Mary Webb and Rowena and Hadyn Ingram, together we are bringing nearly one hundred years of hospitality experience to create a new style of accommodation for Salisbury.

What is the concept?

Serviced self catering apartments. They are fully equipped self catering apartments with service built into them.

How is it different to other accommodation?

The level of service that we give you. As standard you receive secure broadband access, car parking on site, continental breakfasts and concierge service. Servicing of your apartment on a regular basis (not just when you leave) is included as well. Optional extras include shopping for any provisions, laundry service and a daily maid service.

Secondly, with us you can stay in the apartment for one night or one year, the choice is yours! Because it will so comfortable, no matter how long you stay it will be your home from home. Our rates will reflect the length of time that you book.

Where is this happening?

Mill Road. The perfect location for business and pleasure! Close to the railway station and ten minutes from the city centre and cathedral.

When is it happening?

Refurbishment begins in early 2010. We open in June of 2010, we have to, we have our first bookings already! – Book early to avoid disappointment!

And finally (for now).....
What's in it for you?

Just pop your name and email address into the box below, add a comment if you wish, preferably in verse and you will go on to the database and stand a chance to win a free weekend at Peartree Serviced Apartments. And you will be able to keep up to date with our progress through our blog.
